

DROP-IN SESSION

&

A COMMUNITY CLEAN-UP EVENT

Kyle & Lochalsh Community Trust

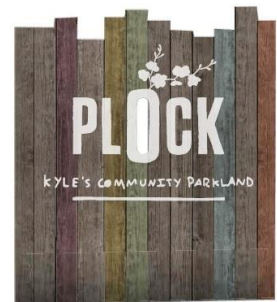

Kyle & Lochalsh Community Trust would like to invite you to a drop-in session to discuss car parking in Kyle and the results of a Masterplan for the Plock and the Toll Office.

We will also be holding a Community Clean-Up Event at the same time.

Refreshments and biscuits will be provided.

12pm - 4pm, Saturday, 16th June 2018

Kyle Village Hall

You might be aware that SSE agreed to pay for a **Car Parking Feasibility Study for Kyle**.

This study has now started and our consultants would like to share potential ideas with you and get your comments. Drawings will also be available on our website for those who cannot attend, and with a link where you can comment online.

Keep checking our website!

The spring is here and it is time for a **Community Clean-Up Event!!!**

If you would like to come and help, please bring your gardening tools and gloves if you have any.

We would like to show you results of the **Masterplan and Business Plan for the Plock and the Toll Office**.

There are about 20 identified projects and we would love to hear from all those who are keen to get involved in any of them.
